### Summary of reasons for decision:

The image is a poor quality thumbnail which depicts a naked man and boy in a shared shower facility. There is nothing overtly sexual about the boy's nudity or the wider context of the image. Therefore the image is not reasonably capable of being regarded as sexual in nature. The image does not deal with any matters under s3(1) of the FVPC Act. Nor does it raise any issues under s3A or s3B. The image must therefore be classified as unrestricted. This classification is consistent with the right of freedom of expression as set out in s14 of the New Zealand Bill of Rights Act 1990.
